

CERTIFICATE OF COMPLIANCE
REGULATION CE 1907/2006 _ REACH

RACCORDERIE METALLICHE S.p.A.

as manufacturer and seller of components for plumbing and heating systems

HEREWITH ATTESTS

- to have followed the instructions of the EC Regulation 1907/2006 _ REACH, concerning the registration, evaluation, authorization and restriction of chemical substances, and to have requested compliance with the same regulation from its suppliers of chemical substances.
- that our products do not contain SVHC (Substance of Very High Concern) substances included in the Candidate List of the same Regulation in quantities greater than 0.1% by weight.
- that our company is not directly involved in what the regulation provides, as regards the registration procedure of chemical compounds as it is not a manufacturer of substances or preparations but only users, and that they are purchased by companies that have comply with what the Regulations prescribe.
